Trip to Dean City Farm and Riding School

We are planning to organize a trip to dean city farm, 39 Windsor Avenue, Merton Abbey, SW19 2RR, on 18th Friday 2006. This will be educational as well as fun day for children. Children from age of 18 months to 5 years will be able to participate. However, this trip would be only successful depending on number of parents who are willing to volunteer on this day,

CEBEEBIES was here!!!!

We were so happy when CEBEEBIES selected our nursery for one of their program called *Tricks Of the Trade*. On 25th July 2006 Katie and Helen from CEBEEBIES came to the nursery and shooting took place.

Around 12 selected children from age of 3 1/2 to 5 years old took part in this program. The

shooting was consist of "going for a picnic", "Dressing up", and "making a det". The children had an extremely fun day.

We would contact all the parents when the CEBEEBIES inform the date broadcast.
